**Key words:** errata, addenda – stars: abundances – Galaxy: evolution – Galaxy: formation – Local Group – dark ages, reionization, first stars – early Universe.

This is an erratum to the paper ‘The *Pristine* survey – VI. The first three years of medium-resolution follow-up spectroscopy of *Pristine* EMP star candidates’ (2019, MNRAS, 490, 2241–2253). In the original version of this paper, the author Rafael Garcia-Dias was incorrectly listed. This has now been corrected and the author’s apologise for the error.
