

Description of Additional Supplementary Files

File Name: Supplementary Data 1

Description: README file for the full original dataset of the manuscript “The Mannose Receptor on Sinusoidal Lining Cells Mediates Two-Step Bacterial Clearance in the Human Spleen”. The data are available at the Repository AMS ACTA with the doi 10.6092/unibo/amsacta/8855 (<https://amsacta.unibo.it/id/eprint/8855/>).

File Name: Supplementary Data 2

Description: README file for the Timelapse microscopy dataset of the manuscript “The Mannose Receptor on Sinusoidal Lining Cells Mediates Two-Step Bacterial Clearance in the Human Spleen”. The data are available at the Repository AMS ACTA with the doi 10.6092/unibo/amsacta/8725 (<https://amsacta.unibo.it/id/eprint/8725/>).
